Is it a reality that acts like a 'Connecting Principle' linking 'mind & matter'?

Are these coincidences messages from the '*Great Unmanifest? The Universe-* swinging into action to provide the answer to Humanities '*Inner Need?*' Brian's presentation will explore these questions.

## SUNDAY

### **EDMUND MARRIAGE: UK**

*Serpent Knowledge & Golden Age of the Angels, Watchers & Druids*

www.goldenageproject.org.uk

Edmund expands on the incredible research of Christian and Barbara Joy O'Brien in their book 'Genius of the Few', which describes from the earliest Sumerian records, the books of Enoch, and an alternative translation of the early part of Genesis text, the restart of agriculture and civilisation following global catastrophe around 9,500 BC, led by An, Enlil, Ninkharsag and Enki.

### **RALPH ELLIS: UK**

*King Jesus of Judea, was King Arthur of England*

www.edfu-books.com

Ralph has been researching history of the Bible & the megaliths for nearly 20 years (*there is a connection*). He has always had a distinctively lateral, open-minded view on history & religion, which has allowed his research to proceed unhindered by historical preconceptions & doctrinal dogma.

Ralph has written *seven books* so far, which purport to explain every last fact of man's religious, political & social history. Under this *new* history of mankind, the *Pyramids of Giza* become the *central* cathedral complex of the early Israelites, who were in fact, the Hyksos Shepherd Pharaohs of Lower Egypt, thus most of the heroes were actually *Pharaohs & priests* of Egypt, including *King's David & Solomon, & Jesus himself* was descended from this same *royal line!*.....

### **MARY RODWELL:**

*UFOs - The REALITY of CONTACT: Part Two*

### **DEREK (DEX) DOBIE: UK**

*'The Secret' and '2012'*

The law of attraction *What doe's it mean to you?* Does' *2012* have any significance in your future? In this presentation we will take a look at the way we shape our world, indeed our future! Who are you really? *What* if *any* is your lineage? Why do we appear to be powerless to intercede on a global scale as individuals? We will take a look at our thoughts, feelings and imagination! And who knows we might even discover a new way of seeing ourselves.
